

OHM User Group Meeting Overview of Events

Don't think of this as a boondoggle! But rather a well deserved environment to enjoy the hard work and efforts.

As we refine the events, we still need your survey and input. Currently (based off the surveys and feedback of what you want) we have lined up the following: (note the actual dates and times of the event will be published end of March)

In no particular order.....

Two IBM speakers and sessions

General IBM business session – where the product is headed, what it can do for you and your environment. How is it being used and what is new of value to your environment. Susie Siegesmund Director, U2 Data Services, IBM Information Management. Susie graciously offered her time. And this is one busy and in demand woman! In the event there is any change or conflict to schedules we have an alternate member from Susie's team available.

IBM Professional Services group – Steve O'Neal will be providing some great information about many services that compliment the OHM applications. Topic's on tuning your system to maximize the environment, data integrity, optimization and a very *special promotional offer* to those attending the OHM UGM of an IBM Professional Services "Health Check" of your system plan.

Two industry speakers

One specific to the manufacturing industry and the other to help maximize your marketing exposure. Ways to take advantage of many tools and resources that are FREE to you. Capitalizing on exposure of you, your company, products and services.

Profiles, resumes and information about each session will be provided in detail in up coming updates.

Note all the special speakers and companies such as IBM will be added in at the luncheon period so that as you partake nourishment you can also intake this information. And then provide you opportunity to speak with or set appointments with any of the speakers.

The OHM side – LOTS OF GOOD STUFF....

Full coverage of all the latest updates and releases to the product application and the middleware. Including some training sessions.

Where the product is headed and.... YOUR INPUT

We have a list of Enhancement Designs ...suggestions by YOU the client when calling in on various support call issues. We will be distributing those list and reviewing by module and feature those in order of importance for integration to the next updates and releases. Here is your opportunity to send in or request enhancements before the meeting to ensure getting on the list. Cutoff for the list will be May 5, 2008.

One of the big target area of increasing application features and system performances will be that of the OHM financials. The first release of the full OHM Executive Information System (EIS) module /dashboard will be unveiled at the meeting. Suggestions for future updates and releases to EIS /dashboard will be discussed.

24X7 Opportunity for the OHM R.E.A.L. internet module. Customers, Sales Reps, Employees, Vendors.... Accessing controlled information. Each based on profile will be limited to what you want them to have access to. One customer might only be able to see orders and print invoices and statements. Another might be given the ability to enter orders, track shipping, review sales history ...or whatever you want them to see.

Tie in R.E.A.L. to your existing WEB page.....OR take advantage of our offshore web-design division. We will be giving unbelievable cost effective methods to have your own webpage design and maintenance. Unheard of price and incredibly low, low overhead and maintenance.

Third party software and hardware. Bar Code technology today and tomorrow. Data mining, EDI, image storing, SOAP, RF Ids and more.

Tired yet? We have more.....These are just the highlights. If you don't see a topic on the survey tell us, we will evaluate the adding of topics and events to provide you the best ever OHM USER GROUP MEETING.

The sessions will run from 8:30am to 4:45pm with a lunch break, Wednesday and Thursday, Friday will be 8:30-12:30pm.

Our goal is to provide you lots of informative, progressive information in a relaxing and enjoyable setting. There is something for everyone. We know many of you want to come in and get the business done and no frills. No problem. And for others who want to mix "work hard - play hard" we are making sure you are taken care of as well. There is something for everyone.

This is a meeting you don't want to miss! Be part of the decision - You made a software investment. Now is the time to invest some of YOUR TIME to ensuring in your investments future.

OHM MAY 2008 USER GROUP MEETING

WHEN: Wed/Thursday and ½ Day Friday – May 21-22-23 2008

WHERE: FrenchLick Indiana www.frenchlick.com

(note when you visit this site the user group functions will be at the French Lick Resort but recently with the 4 million dollar renovation project they now own a second property West Baden which is the upscale accommodations. For the weekend extension we are being offered special rates for both locations. So you might wish to look at both locations on the site. They are 1 mile apart with a special access road and transportation between them.

Rates for the conference dates starting with Tuesday, 20 May 2008 - Friday 23 May **\$133/night**
Extend at French Lick for the weekend Friday 23 -24 and/or 25th May, \$159/night (on line rates for this location those dates are \$180/night). For West Baden property Friday 23-24 and/or 25th May \$209/night (on line rates for this location those dates are \$325/night). So if you are interested in the extended days it is a good savings and is limited.

Free includes high speed internet access, transportation shuttles on property and valet parking.

WHAT: Roundtables, breakout sessions, guest speakers, new product, direction of product and the software industry as it relates to this application. User input and sharing.

TRANSPORTATION: OHM will be arranging for reduced price transportation and group mini buses from the airport (SDF – Louisville) to the hotel (once we know the schedules and dates of your arrival). Or you may make your own arrangements. However once on property you will really not need a car. There is free parking or valet parking available.

SPOUSES: If your spouse would like to join you for the length of the conference we will have activities available for them (optional). Or if your spouse will be joining you for the extended stay dates, based on the number of individuals we will extend our reduced airport service rates.

Additional cost: taxes on the rooms and a \$12/night resort fee. \$300 per company registration fee includes your first member. Each additional member is \$100.

OHM will be making strong use of your time for the meeting and providing you focused sessions and a detailed program. We strongly urge you to attend to help grow our product and have your input to the future. Additionally we tried to offer an environment for some social relaxation and fun for those who would like to partake.

As you will see on the resorts website there is no limit of things to do.

Horseback riding Tennis Bowling Golf (PGA courses) Fine dining Swimming
Fitness Center Spa and much more! But the session days will be filled with business!
