MAY USER GROUP MEETING – CONFIRMED

Registration forms and survey for this event are attached. Ongoing details being emailed in a User Group Meeting bulletin.

DATES: Wed/Thurs and ½ day Friday – May 21-22-23 2008

Hotel dates and rates apply to arrival on Tuesday, 20th May night. The weekend after the event is Memorial Day weekend. The hotel is offering us an extended rate for the group for anyone wishing to stay over the weekend. They really reduced the weekend rate! See registration form for all rates.

IBM U2 Susie Siegesmund, Director, U2 Data Services and others will be making presentations as part of our break out sessions and lunch roundtables.

We will have R&D formal sessions, application (new stuff), round tables and your input for new features. Mini training and overview classes of some of our main modules in finance, sales and marketing and other areas based on feedback for the curriculum requested by YOU our customers.

Special speakers at lunch break to compliment marketing direction of OHM Internet module will be how to marketing using the internet or branding without the internet.

Our focus will be the topics and style format you the customer ask for. So it is important you complete the survey sheet and return. We have separated the survey sheet and the registration form to provide you more time to review and respond to the survey sheet. The registration and commitment for number of participates is needed by the required dates for us to confirm the blocks of rooms at the reduced rates and meeting facilities we have requested.

OHM Classes - Formal registration forms where sent earlier today, Friday, January 25, 2008. Please be sure to email or fax the signed and completed form today for the Feb class and deadline for the tools class in April is 4 February.

TECH TIPS – first monthly release being emailed 31 January.
