

2008 Business Updates

V-2008-03-11/12

Just back from the ISPA trade show. It was fantastic seeing our customers. All the OHM Hall of Fame customers and photos will be proudly on our website April 15th for all to review along with the list of drawing winners. Many more clients signed up for the OHM May UGM at the show. Remember to get your paperwork in. Hotel registration forms and surveys.

RFID - 10 years ago OHM had the ability to include RFID scan and reads but the cost of the ID was around \$2.00 each. Now some companies have the law tag sheet and id for around 38 cents or lower. During the ISPA show OHM was approached by several of these RFID vendors and we will be providing you're our findings from each.

Point of Sale - POS received great reviews for the prototype release at the ISPA show. We have firm new orders for this Retail extension of OHM Bedding software application with real time updates to the backend business server. More details of this offering will be at the OHM User Group Meeting.
