### OHM FRONT PAGE OHMWORLD.COM WEBPAGES

In our Newsletters we will notify you when we have updated the front page or added any new client only updates. We continue to encourage clients to login to the client only pages for recent updates as well as general information and documentation for review. As of March 9, 2009 we have updated the front page RE: Our latest go live article with photos of Diamond Mattress.

More client updates will continue to be featured.

OHM has made a decision not to participate as a vendor in the 2009 Cologne Germany Show. We will be announcing other International locations to meet us with our clients.

### Special Thanks

To all clients who joined OHM for our EIS - dashboard webinar. Your input and comments were appreciated. Each group who participated will be receiving a document list of all suggestions from the groups sessions.

### Still time to book a On Site Visit

OHM has been crossing the country in response to the new on site two day visit by OHM personnel. We are pleased to announce that we have been able to address future wish list and understanding of new business requirements. Work with users who have been on the system from 2 months to 10 years and able to show new updates and ways to process their functions

As well as remind users of many useful processes they can use to aide in their day to day task. This has proven to be a great way for users to stay in touch. Due to the popularity of the program we are extending the offer of a flat \$1000 dollars for two OHM persons on your site for two days and for local travel vs. flights the fee is \$500, book before March 31st for a date on site before end of June 2009.

#### Warranty, Enhancement & Support Program (WES)

We are reviewing our WES program to provide more services and opportunities to our clients. Now is a fantastic time to give us your feedback for any new program offerings or methods to use the WES plan. Please send all suggestions to sales@ohmworld.com before June 30, 2009.
