**NEW  
CLIENT**

**WELCOME  
American Freight**

September 2009, a division of American Freight has signed with OHM for our full ERP system software.

Over 15 years ago, American Freight opened its doors to the general public. American Freight offers outstanding values on furniture from unclaimed freight, factories have closed, special buy-outs, cancelled factory orders, closeouts, closed or distressed retail chain and special purchases. They have locations throughout the US and are expanding rapidly.

OHM is pleased to be the vendor of choice and will be working aggressively with the team for a go live end of October 2009.

**WES**

Bonita Springs Florida

Be watching for the 2010 updates of the OHM Warranty, Enhancement and Support (WES) Program. We have listened and learned from your feedback. This update will have the most changes ever made to our plan. We again thank everyone who participated.
